3. In so far as issue of transfer is concerned, it is the case of the Petitioner supported by the certificate of Dr. Raghuanth Godbole under whom she is being treated for last several years, that she has undergone six surgeries on the abdomen and she requires further surgery. In these circumstances,

the Petitioner prays that her request for transfer to Pune or a place close to Pune where her doctor has his clinic be sympathetically considered. Considering that and as the pleas seems to be based on the requirement for undergoing surgery at the hands of the doctor who is treating her since long, respondents to consider sympathetically and favourably the request of the Petitioner within four weeks from today.

. With the above observations, Petition stands disposed of.
